Chief Secretary to Government of Mysore,

Bangalore.

Subject: Occupation of land by the military -
additional staff - Davangere Sub Di-
vision Office.

I have the honour to forward herewith a copy of the Chitaldrug Deputy Commissioner's letter No. PR. 15-C.87/41-42 dated 17-5-1943, on the above subject.

The Deputy Commissioner reports that the work in the Davanagere Sub Division Office, in connection with the "Requisition" of property for military purposes, is very heavy, and that it cannot be managed without additional staff. He recommends that an additional clerk on Rs 50/- and an Attender on Rs 15/- may be sanctioned, temporarily for a period of six months, to get through the work efficiently and expeditiously. He proposes that the cost on this account may either be met by the military department or it may be permitted to be included in the consolidated award bills, as an item of expenditure incurred in respect of the "Acquisition" of properties for military purposes.

The military authorities who were consulted have stated that they cannot agree to meet the cost of additional staff in connection with the occupation of land (vide their letter No. 157/22/90/Q dated 11-6-43, copy enclosed).

In view of the Residency letter quoted in your No. W. 4510 dated 23-6-43, the properties are only "requisitioned" for military purposes for the duration of the war, and I think, there is no question of "acquisition" now, and the question of bearing the cost by the military, does not therefore, arise.

In these circumstances, I request you to obtain the necessary sanction of Government to the Deputy Commissioner's recommendation, the cost on this account being met, as usual, from General revenues.

Subject: Payment of compensation to the civilians for lands taken up by the Military - Harihar.

I have the honour to state that the Sub Division Officer, Davangere, reports that the work devolved on him as the local civil Officer and Land Acquisition Officer in the preparation of Award bills, payment of compensation to the individuals after obtaining the necessary vouchers and the maintenance of the required registers will be very heavy and that it cannot be managed without an additional clerk and an Attender. More than 2,000 acres of land will have to be acquired and the amount of compensation (including that payable for the evacuation of Harlapur village) will probably exceed a lakh of rupees. As reported by the Sub Division Officer, an additional Clerk on Rs 50/- per mensem and an Attender of Rs 15/ per mensem will be required for getting through the work efficiently and expeditiously. A copy of letter No. D.126/42-43 dated 4-5-1943 received from the Sub Division Officer is enclosed for favour of perusal. The cost of the additional establishment may either be met by the military Head Quarters direct or permitted to be included in the consolidated award bill.

I request that sanction may kindly be obtained to the above proposal - for a period of six months for the time being.

SIR,

Subject:—

I have the honour to forward herewith a copy of letter No. C.L.O.

Kolar District, recommending the appointment of the marginally noted staff

One Revenue Inspector on Rs.40/- + 10 allowance

for work connected with
the occupation of lands

Thondebhavi village in
Goribidnur Taluk, and

to request you kindly to obtain sanction of Government to the appointment
of the said staff till the end of June 1943, the additional cost on this
account being met by the Military, as this special establishment has to be
appointed on their account.

I have the honour to be,

Subject:- Occupation of lands by Military near Thondabhavi
village in Goribidanur Taluk.

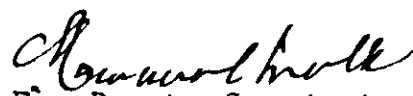

Sir,

With reference to your D.O. letter No.C.I.O.52/42-43 dated 1st March 1943 on the above subject, I have the honour to state that there are two military areas at present one in Bellary Taluk and the other near Kolar, for each of these there is a special Revenue Inspector and one special Surveyor for the measurement works near Kolar only. The works in these two areas are such that the special Revenue Inspectors or the Surveyor cannot be ^{to} deputed to the new area near Thondabhavi which is far away from the present areas.

As the lands now to be occupied are to be got measured, demarcated and compensation fixed, I request that a Revenue Inspector on Rs.40/- + 10/- and a surveyor on Rs.45/- + 10/- per mensem with one peon each on Rs.10/- may kindly be sanctioned for the Thondabhavi area immediately their term being for the present up to the end of June 1943, as in the case of the existing staff.

In this connection I must also mention that already the work is heavy for one clerk sanctioned to the Civil Officer, The addition of Thondabhavi's camp will increase it considerably more. I, therefore, request sanction for an additional clerk on Rs.40/- per mensem.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

Subject: Additional Staff in connection with
the occupation of lands by the Mi-
litary - Thondebhavi and Jangamakote
Villages, Kolar District.

A 4566/W dated 29-6-43 on the above subject, I have the honour to
state that there is no question of "acquisition" of property. As
the lands are only "requisitioned" for military purposes for the
duration of the war, I think, the question of bearing the cost of
the extra staff by the Military does not arise, in view of the
Residency letter quoted in your No. W.4510 dated 23-6-43. I am
to add in this connection, that the pay and allowance of the Civil
Officer and his staff, appointed to work under the Deputy Commis-
sioner, Kolar, ~~are~~ are being met from general revenues. The pay
of the Civil Liaison Officer at Bethamangala is being met by the
Military Department. The question of the payment of the cost of
menial staff under the C.L.O. is under correspondence between Go-
vernment and the Residency (vide your letter No. Pol. 2521 dated 12-6-
43). There ^{are} no other camp areas where similar Staff has been employed.

In his subsequent letter No. C.L.O. 108/42-43 dated 17-6-43,
(vide copy enclosed), the Deputy Commissioner, Kolar, reports that the
military authorities had originally proposed to occupy nearly one
thousand acres near Thondebhavi but they changed their mind and have
taken only about 368 acres, according to the revised plan. He fur-
ther reports that all the measurement have been completed by the
present surveyor, and that there is no need for the appointment of

He accordingly requests that sanction may be accorded for the entertainment of only one clerk on Rs 40/-, to work under the Civil Officer, and a peon on Rs 10/-, with the usual dearness allowance, to work under the Special Surveyor, upto end of June, 1944.

In the circumstances, I request you to obtain necessary sanction of Government to the Deputy Commissioner's above recommendation, the cost on this account being met, as usual, from General Revenues.

Subject:- Additional staff required for the completion of works connected with the occupation of lands by the Military near Thondebhavi and Jengemakote villages in Kolar Dt.

Sir,

With reference to your letter No.C.3995/42-3 dated 19th May 1943 on the above subject, I have the honour to state that the Head Quarter, 160 L of C Sub Area, Bangalore were consulted, whether they would agree to meet the cost of the additional staff now proposed and in response it is stated that the provision of additional Civil staff is not in any way a military responsibility and as such they are not agreeable to meet the charges. A copy of letter received from Headquarter 160 L of C Sub Area, is also enclosed for reference.

In this connection I have to say that the Military authorities had originally proposed to ~~occupy~~ occupy nearly one thousand acres near Thondebhavi but they have changed the proposal and only taken about 363 acres according to the revised sketch. All the measurement works have been completed by the present Special Surveyor and there is no need for the appointment of a special surveyor or a special Revenue Inspector, in respect of the Thondebhavi area.

In view of the above circumstances I request you kindly to obtain sanction of Government for the entertainment of only one clerk on Rs.40/- per mensem to work under the Civil Officer and a peon on Rs.10/- per mensem, with the usual dearness allowances to work under the special Surveyor upto end of June 1944.

The favour of early orders in the matter is requested.

I have the honour to be,
Sir,
Your most obedient servant,

Gopikanta Krishna Rao
for Deputy Commissioner,
Kolar District.
